South Africa

Cape Highlights Extension

28th to 31st January 2028 (4 days)

African Penguin by Daniel Danckwerts

South Africa's south-western Cape is one of the continent's most distinctive birding regions, combining spectacular scenery, extraordinary botanical diversity and an exceptional concentration of endemic and near-endemic birds. Designed for those with limited time, this four-day tour offers a focused introduction to the very best of birding around Cape Town, with particular emphasis on the region's most charismatic and sought-after species.

Based in and around Cape Town, the celebrated "Mother City", we will make the most of the remarkable variety of habitats found within easy reach of this spectacularly situated city. Mountain fynbos, coastal wetlands, strandveld and rocky shorelines all lie close at hand, allowing us to target an impressive range of birds while enjoying some of South Africa's finest scenery.

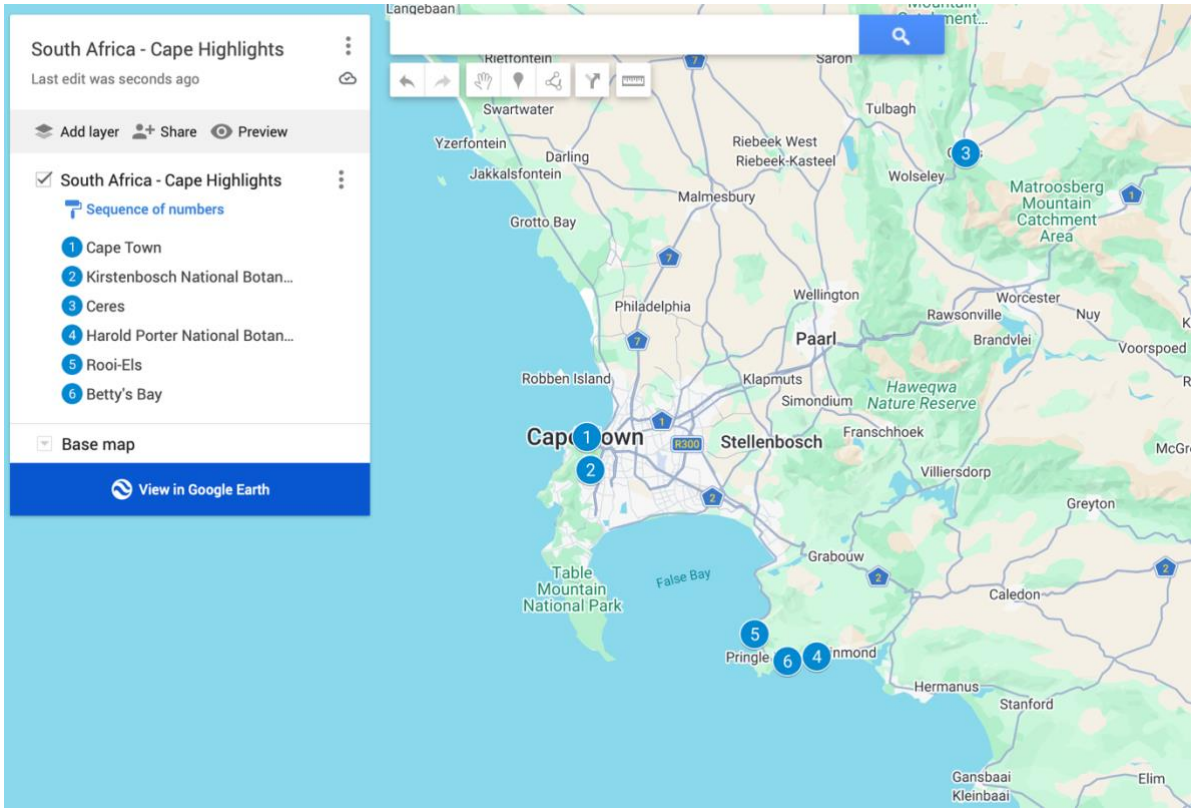

The Cape Floristic Region is one of the world's great centres of endemism, and our time here will focus on finding many of its signature species. Key targets include Cape Rockjumper, Cape Sugarbird, Orange-breasted Sunbird and Cape Siskin, alongside a rich supporting cast of fynbos specialists, raptors, waterbirds and other regional favourites.

With two full days dedicated to exploring the Cape Town region, this tour is ideal for birders looking to experience the essence of the Cape without the time commitment of a longer itinerary. Compact, varied and highly rewarding, it offers an excellent concentration of memorable birds, striking landscapes and uniquely South African habitats.

Itinerary & Map

Cape Extension

Day 1	**Arrival in Cape Town**
Days 2 & 3	**Cape Peninsula**
Day 4	**Final departures from Cape Town**

Birding sites in detail

This itinerary covers different seasons. Please note the below notations:

- *** Summer migrants occurring between late October and early April.**
- **^ Species that undergo distinct plumage changes, best viewed between November and March.**

Southern Double-collared Sunbird by Daniel Danckwerts

Kirstenbosch Botanical Gardens. Arguably the most beautiful set of gardens on the continent. This is an excellent site for Cape Spurfowl, Forest Canary, Cape Bulbul, Rufous-breasted Sparrowhawk, Cape Batis, Cape Sugarbird, Orange-breasted and Southern Double-collared Sunbirds and further chances for the delightful little Swee Waxbill. The dramatic backdrop of Table Mountain, coupled with the great birding, makes this a very memorable stop.

Cape of Good Hope National Park. This wonderful park showcases the most south-western point of the continent and is very popular amongst birders and general tourists alike. Here we should find the impressive Cape Grassbird, Bokmakierie and Cape Siskin. We will explore the network of roads to less visited parts of the reserve, visiting secluded coves and searching for the elusive (Cape) Mountain Zebra and (Bontebok) Blesbok antelope. In addition, we should see Common Eland and Chacma Baboon.

Hottentots-Holland Mountains. The area of attractive Cape Fold mountains is a key area to search for one of South Africa's finest endemics, the handsome Cape Rockjumper. Though strikingly plumaged and conspicuous by their vocalizations, these charismatic birds possess an incredible ability to disappear amongst the boulders and we may have to be patient if we wish to enjoy prolonged sightings of these elusive creatures. Rock outcrops here also support Ground Woodpecker, White-necked Raven and Cape Rock Thrush, whilst the thick mountain fynbos is the favoured habitat of Cape Siskin and the smart, endemic Victorin's Warbler. If we are very lucky, we may flush Hottentot Buttonquail underfoot or stumble upon a Cape Eagle-Owl at its daytime roost.

Ground Woodpecker by Daniel Danckwerts

Betty's Bay. We will visit the famous African Penguin colony at Stony Point. Here we will enjoy the spectacle of hundreds of penguins waddling about on the beach and rocks at extremely close range, which makes for superb photographic opportunities. We will also keep a lookout for the endemic African Oystercatcher along the adjacent rocky shoreline, and scan through the masses of nesting cormorants for all four species of South African coastal cormorants: Crowned, Bank, Cape and White-breasted.

Victorin's Warbler by Daniel Danckwerts

Harold Porter Botanical Gardens. A smaller version of Kirstenbosch, these beautifully appointed gardens support a wealth of fynbos specialties like Orange-breasted Sunbird, Cape Sugarbird and Cape Siskin and is a particularly good site to see the skulking, endemic Victorin's Warbler. We are also likely to encounter a range of other noteworthy and eye-catching species like Cape and Brimstone Canaries, Karoo Prinia, Swee Waxbill, Cape Batis, Bar-throated Apalis, Southern Double-collared Sunbird, Cape Robin-Chat, African Dusky and Fiscal Flycatchers, Olive Thrush and Sombre Greenbul.

Strandfontein Water Works. The network of settling ponds here usually supports large numbers of waterbirds of many different varieties and we are likely to encounter good numbers of Cape Shoveler, Cape Teal, Southern Pochard and Red-knobbed Coot, as well as Greater and Lesser Flamingos, Common Moorhen, Pied Avocet, Black-winged Stilt, Black-necked and Great Crested Grebes, Hartlaub's and Kelp Gulls, Greater Crested Tern, Grey and Black-headed Herons, Yellow-billed Duck and Red-billed Teal. If we are fortunate and depending upon the water levels of the pans, we may also find small numbers of Maccoa Duck, Blue-billed Teal and South African Shelduck. The surrounding reedbeds harbour Lesser Swamp Warbler as well as Levaillant's Cisticola.

Ceres area. The surrounding protea-clad mountain slopes support the endemic, range-restricted Protea Canary. We'll spend some time at key positions listening for its distinctive call. The moist gullies here also hold a few other endemics such as the skulking Victorin's Warbler, Cape Grassbird, Cape Sugarbird and Bokmakierie.

Tour Grading & Key

Overall Ease	■ ■ ■	Moderate. Suitable for all birding / wildlife interest levels and most mobility capabilities. Can be a little tiring due to travel distances.
Birding Ease	■ ■ ■	Undemanding, most species provide good visuals. A small number of scarce/rare species.
Accommodation	■ ■ ■	Good to comfortable.
Walking / Trails	■ ■ ■	Walking and hiking mostly limited and over flattish ground. Some areas are uneven with rock/stone.
Vehicles / Roads	■ ■ ■	Comfortable vehicle. Some long drives on both sealed and dirt roads. Some can be bumpy, others wet and muddy depending on season.
Photography	■ ■ ■	Good to very good.
Annoyances	■ ■ ■	Typical weather variability (seasonally dependent).

Financial Arrangements and Important Notes

The price for this 6-day Tailor-made tour of South Africa is **ZAR22,995.00** (roughly US$1,400.00) per person for a group of four to five guests.

Tour inclusions:

- All meals from lunch on day 1 to breakfast on day 4 for those on the Western Cape Extension;
- All lodgings;
- All ground transportation during the tour;
- All reserve entrance fees;
- All guiding services
- Tips for local guides, drivers and services.

Tour exclusions:

- Visa fees;
- ANY flights;
- Any beverages (including mini-bar charges at hotels);
- Optional excursions;
- Special gratuities;
- Telephone calls, laundry and other items of a personal nature.

Single Supplement: The single supplement cost for this tour will be charged if you wish to have single accommodation. If RBL cannot provide you with a rooming partner for these nights although you choose to share, the single supplement will become applicable. We will make all reasonable efforts to ensure that a rooming partner is found if you do wish to share.

Tipping: As noted above, gratuities (drivers, hotel staff, restaurants etc.) are included on this tour. However, this does NOT include your Rockjumper leader/s. If you feel that they have given you excellent service, it is entirely appropriate to tip them at your discretion.

- **Due to constantly fluctuating exchange rates, we quote our tours in 4 currencies. The tour price is fixed only in the currency printed in bold, and the actual cost in the other currencies listed will be adjusted according to prevailing exchange rates at the time of final invoicing. The same applies to approximate flight and single supplement rates.**
- **Rates are based upon group tariffs; if the tour does not have sufficient registrations, a small group supplement will be offered to confirm the tour.**
- **Tour prices are subject to unforeseen increases in tour related costs and may have to be adjusted as a result.**
- **The designated tour leader/s may be changed at short due to unforeseen circumstances.**
- **The itinerary is indicative only. Changes made need to be made to the order in which the tour is conducted, or some of the venues we visit closer to departure. We will attempt to adhere as close to the original program as possible.**

- Much of our time is spent in vehicles, as we must cover long distances to get to the best areas for birds and animals. The more luggage you pack the less room there is in the vehicle, so it is important for the comfort of your fellow travellers that you do not over-pack. Kindly stick to 20kg for check in luggage and 8kg for hand luggage.
- Crime is problematic in certain areas of South Africa. Exercise caution as you would for any big city where crime exists. Do not unnecessarily flaunt cash and valuables and do not leave valuables exposed in the vehicle.

Arrival and Departure Details

The tour begins around midday on Day 1 at Cape Town International Airport (IATA: CPT), and ends in Cape Town after breakfast on Day 4.

The above information in respect of arrivals and departures is a guide only. Precise arrival and departure information will be sent to you in your Tour Confirmation package once the tour has been officially confirmed. If you wish to arrive early and/or depart late and would like assistance in this regard, kindly contact the Rockjumper office.

O.R. Tambo International Airport, Johannesburg (IATA: JNB), Cape Town International Airport, Cape Town (IATA: CPT) and King Shaka International Airport, Durban (DUR) are the main international points of entry and exit for this tour.

Visa requirements differ by country, nationality of the traveller and duration and purpose of your intended stay. It may be necessary to obtain a visa or an electronic travel authorization in advance of your travel. It is therefore vitally important that you check with your travel agent/consulate/embassy for exact visa requirements. The following website provides detailed information about visa eligibility and assistance with online applications options where viable: Visa HQ for Travel

DO NOT book any flights until the Rockjumper Team have officially confirmed the tour.
